

WHO WE ARE & WHAT WE DO

Kansas City's non-commercial, independent, community-owned radio station.

We seek to stimulate, educate and entertain our audience, to reflect the diversity of the local and world community, and to provide a channel for individuals and groups, issues and music that have been overlooked, suppressed or under-represented by other media. Our 100,000 watt radio station has served KC since 1988.

Community Owned & Operated: KKFI is a labor of love, owned and operated almost entirely by its volunteers. Decisions, including who sits upon the Board of Directors, are voted upon by Active Members - the "shareholders" who have qualified through regular service to KKFI as volunteers.

Committees: Activities are achieved through the work of committees. The standing committees are: Finance, Governance, Programming, Membership, and Grievance. Ad hoc committees include: Personnel, Strategic Planning, Marketing, Fundraising, EFT, Nominations, and News & Public Affairs. Participation in a committee is open to the public.

The Board of Directors

In effect, the Board of Directors is comprised of 14 people. 11 members are elected by Active Members and 2 Programmers Representatives are elected by the Programmers. The Active Member Chair, also elected by Active Members, serves as an ex-officio member of the Board.
