Support KKFI and VOLUNTEER! KKFI exists only because of YOU!

Volunteers at 90.1FM KKFI are as diverse as the community served by the radio station. Young and not-so-young, they come from all backgrounds and from many different life experiences.

KKFI volunteers are truly the backbone of the radio station – a central tenet of the organization's mission. A small staff manages technical operations and fundraising, but the rest of the work, including most of the on-air programming, comes from volunteers.

Volunteer opportunities include:

- Active Membership – "Owner" of the station.
- Board of Directors & Committee service – Programming, Finance, Communications, Membership, Governance and more.
- On-air Programmer/DJ/Host/Engineer.
- Production & engineering of podcasts & syndicated programs.
- Record & edit interviews & on-air announcements.
- Front desk reception at KKFI Studios.
- Data entry & analysis.
- Catalog the music library & distribute new music to DJs.
- Represent KKFI at community functions and events.
- Fundraising.

To learn more: Click the Volunteer link at KKFI.ORG, call 816.931.3122, email volunteer@kkfi.org, or visit the station in person at 3901 Main St., Suite 203, KCMO 64111.

Kansas City's Community Radio Station VOICE OF THE COMMUNITY

KKFI has been broadcasting at 100,000 watts at 90.1 on the FM dial for 30 years. That is over 250,000 hours giving voice to the voiceless and informing people of what they didn't even know they didn't know.

Radio remains a relevant community resource in today's world. As the original mobile medium, it provides content to meet the public affairs and entertainment needs of a diverse society, reaching people at work, at home, in their car or anywhere with an internet connection.

More than ever, KKFI is an important source of independent news, outside the influence of corporate giants and free from government control.

The future is here and the way a lot of people access information has changed. KKFI is working hard to use your donations to update KKFI.ORG.

You now have on-demand access to the previous two weeks of all programming that aired on KKFI and easier access to podcasts. You have access to more podcasts created in and about our community. You have community calendars to Jazz, Blues, and KKFI events and meetings.

Long known for quality music and art of all kinds, Kansas City artists depend on KKFI for coverage they don't get anywhere else on the dial. We continue our leadership in public affairs programming, especially for issues addressing equal rights for people of color, women, and the LGBTQIA community.

Midcoast Radio Project, Inc., dba 90.1FM KKFI community radio, is the Kansas City area's independent, non-commercial, volunteer-based non-profit 501(c)(3) community radio station.

90.1 FM KKFI Program Schedule
